

★★★★★

Great Course

Brilliant course with some beautiful holes. The par 3 11th was incredible. Well maintained and friendly staff

Great layout

For the amount of rain that's fallen over the past few days the course was still in great shape loved playing the par 3s good challenge for everyone especially the elevated one could just play that hole all day would recommend this course to anyone

Great course

Was a very nice course, very open to play but challenging enough. The greens were very quick and the overall course condition was great. Staff and other golfers were friendly, would recommend going for a round.

Carluke

Good course well maintained interesting to reply after many years. Layout has improved what was originally a good course. Will return sooner rather than later.

One of the best in Lanarkshire

Absolutely love this course. The layout and condition are first class, never seen it any other way. If only my golfing skills equalled the course.

Exceptional

Well maintained course with some brilliant holes the par 3 11th and par 4 12th are two of the best I've played really enjoyed my round highly recommend to all golfers.
