CAPTAINS REPORT

Hello everyone,

As the year draws to an end it is time to reflect and take stock. The course has been in great condition all year thanks to Andy and his team. We have invested heavily on course development and maintenance and the results are certainly paying off. I'm afraid more recently however, as a result of strong winds, the Green Staff have been involved more with lumberjacking duty!

A big thank you to all our members who have supported me during my year as Captain. It has been a real privilege and although it hasn't been without challenges at times, I have got great satisfaction from putting something back into the club I have been a member of for nearly 40 years. A huge vote of thanks to our hard-working committee who have steered us through another difficult year for the club. Having said that we have been able to complete almost a normal golfing year and are in a sound financial position as we look to 2022.

The Lanarkshire Golf Association held their annual prize-giving recently at Fir Park. I was delighted to attend and accept the 4th Division Trophy and flag on behalf our Gent's team, a great effort and let's hope for more success next year. Also, a special mention to our Senior men's team as well, a number of whom also attended on the evening to collect their group winners and overall runners up trophies – well done again. The Junior, Ladies and Gents prizegivings took place over the last month, my congratulations to all our prize-winners.

I am particularly pleased to let members know that this year the ladies section raised £1240 for MacMillan Cancer and the Captain's Charity raised £1000 for Clydesdale Foodbank. My sincere thanks to all members who contributed generously and Fiona and Baber and our catering team and our professional Craig who assisted in charitable fundraising events.

All that remains for me to do is wish everyone a very Happy Christmas and a prosperous and safe new year.

Captain Bill

LADIES PRIZEGIVING

Congratulations to all this year's winners from the Ladies section and once again well done on a fantastic amount of money raised for MacMillan Cancer charity. Thank-you to all those that contributed to this incredible total of £1,240.

FOOTBALL RAFFLE

Congratulations to Jim Fordyce and Gary Watt who won the signed Hibs ball and signed Celtic top in the raffle organised by our catering team. All money raised was donated to Woodhurst Care Centre in Carluke. Thank-you to Team Saleem for organising the raffle and prizes.

BIG FAT QUIZ

We have put together a quix to keep you amused over the holidays - give it a go and you could win a prize! It has been sent out by email but can also be accessed by clicking this [link](#)
