This booklet contains information on the Office Bearers, committee of management, arrangements for booking a tee time, rules governing all competitions, fixtures for the season and current subscription rates.

BOOKING A TEE TIME

Unless other specific arrangements are in place, play on the course is controlled by the online timesheet which can normally be accessed via the club website, by telephone to the pro.shop or by attending in person at the pro. shop. The sheet is set up so that times can be booked seven days in advance. This applies both to bounce games and competitions. All players must sign in at the pro. shop before playing on any day and in any competition.

GENERAL NOTES

- 1. The First Tee is closed to gentlemen on Tuesdays from 11.30am – 12.30pm and from 3.30pm – 5.30pm except when indicated on the main fixture list. There are two such occasions at the start of the playing season and four at the end when tee closures on Tuesdays are 11.30am – 12.30pm and 2.30pm – 5.00pm.*

- 3. On Saturdays, the tee will be open to Juniors from 4.00 p.m. except where indicated on the Fixture List or Notice boards.*
- 4. Juniors are permitted to play a medal round on Fridays between 1pm and 2pm unless the tee is reserved for visiting parties.*

5. *Members should note that, on some competition days, the condition of the course may be affected by the ongoing maintenance programme. Every effort will be made to minimise this situation.*

6. Five Day Membership

- a) *Playing Times – any time Monday to Friday only, unless otherwise stated.*
- b) *Not eligible for Club Competitions except Wednesday Medals (Gents) and Tuesday competitions (Ladies).*
- c) *Have use of Clubhouse seven days at any recognised time.*
- d) *Five Day Members’ privilege tickets are usable in their playing times only.*

7. Six Day Membership

- b) *Eligible for club competitions being played on these days.*

GENTS’ CLUB COMPETITIONS

Please note that, with the exceptions listed elsewhere in the fixture book, club competitions are only open to those who have paid seven day green fees. All monies must be paid on entry, else entry is not guaranteed. All entrants must sign in on the psi terminal before play.

MATCHPLAY COMPETITIONS

Entry is by placing names in the entry book in the pro. shop by the last Saturday in April along with payment of the appropriate fee.

Knockout competitions should, where possible, be mutually arranged between competitors. However, the first named player / players of each individual draw is regarded as the ‘challenger’. It is the challenging player’s responsibility to provide three dates and times for each tie to be played – one of which must be a weekend date – and all ties should give at least 72 hours

notice between being written on the board and being played. These dates and times must be clearly written on the board. Offering a telephone number does not suffice. The person challenged must indicate on the sheet the accepted date.

It is the winner's responsibility to put their name forward to the next round.

The Match Secretary (M.S.) is regarded as each competition's Director, and any dispute should be taken to the M.S. whose decision is final and cannot be appealed.

NOTES FOR COMPETITIONS

1. ***Class 1 – Handicaps up to & including 11.4***
Class 2 – Handicaps 11.5 to 17.4 inclusive.
Class 3 – Handicaps 17.5 +

2. *Players must ensure that all scorecards including date, handicap, name of competition & total score are legible and **filled in correctly**. Failure to do so may result in disqualification from that day's play.*

3. *Players should note that supplementary scores are able to be submitted. Current rules will be posted on the club notice board.*

4. ***All Saturday Competitions – Forward Booking Procedures***
*Most Saturday competitions can be booked seven days in advance, either on the computer in the Pro shop using a membership card or on line via HowDidIDo. The forward booking process for the coming season will be as follows: online booking and the pro. shop terminal will be available half an hour before the first tee time. Invitational and Open days will see the process extended to two weeks prior to the competition. Members may book for themselves and **one other player only**. Deletions may only be done by a member of the Handicap Sub committee or a member of the Pro. shop staff. Anyone found deleting someone else's name will be liable to disciplinary procedures. Where it is not possible to book online, a paper sheet will be available with early notice being given.*
*Normally the draw for a competition will be posted at 5.15pm on a Friday both on the notice board and where applicable by email. After the draw is made, no player will be permitted to change his tee off time **under any circumstances**. Players who arrive late, but within five minutes of their listed Saturday time, will incur a two stroke penalty, and those arriving outwith five minutes of their allocated tee off time will be disqualified from the competition, but may queue for play on that day.*

5. **Sunday Competitions - Russell Trophy.**

The timesheet for each round will be made available on the Sunday preceding the competition. This timesheet will determine the order of play with no draw being made, so competitors in the event may play at any time during the day. All players including those playing 'bounce' games must reserve a time on this timesheet and are able to book one complete time slot only. Please note four ball play is allowed in the competition and all competitors must sign in on the psi terminal prior to play.

6. **Midweek Competitions - Wednesday Medal.**

The timesheet for each round will be made available on the Wednesday preceding the competition. This timesheet will determine the order of play with no draw being made, so competitors in the event may play at any time during the day and four ball play is permitted. However the tee is reserved for three ball medal play only between 3pm and 6pm. All players, including those playing 'bounce' games must reserve a time on this timesheet and are able to book one complete time only. All competitors must sign in on the psi terminal prior to play.

7. **Match Play Competitions** – *No extension will be granted in these competitions, unless with the specific permission of the Match Secretary, following a period of sustained inclement weather.*

8. *With the exceptions already stated above, all Trophies will be decided, if necessary, by a "Count-Back".*

9. **Opening Day** – *The Course will be closed until the start of the Opening Day Competition, to be played on the last Saturday in March, unless otherwise stated.*
